AUDIO INSIGHTS REPORT

Listening **Landscape & Trends**
June 2023 – May 2024

2024

A YEAR IN REVIEW

Triton Digital is releasing its 2024 **Latin America (LATAM)** Audio Insights Report providing an understanding of the evolving LATAM landscape to accompany our monthly podcast rankers at www.TritonRankers.com and our streaming rankers at www.tritondigital.com/resources/streaming-rankers

The report incorporates data from multiple sources, including Triton Digital's IAB Tech Lab certified Podcast Metrics service, which measures server log data from Triton Omny Studio platform and a variety of other industry hosting platforms. The LATAM Insights Report will cover trends in podcast listening, devices that listeners are using, top podcast genres and insights from the Triton LATAM Podcast Ranker.

Podcast insights are based on downloads from networks measured by Triton Podcast Metrics from June 2023– May 2024
Streaming insights are based on total listening hours (TLH) or average active sessions (AAS) from networks measured by Triton Webcast Metrics from June 2023 – May 2024
AAS is calculated by dividing the total listening hours by the number of hours in the specified reporting

Triton Digital is the global technology and services leader to the **digital audio, podcast, and broadcast radio industries.**

If you are a podcast network or publisher with an audience in any of the regions where Triton produces rankers, you are eligible to participate in our Podcast Rankers.
